

## **Club spares day and AGM**

Good Morning, Afternoon or Evening one and all, I have been asked to draft an announcement for the clubs AGM, well my own fault really as I asked if the club has AGM's and when the last one was, the committee has agreed to let me organise one for after the clubs September Auto jumble which will be on the **23<sup>rd</sup> of September** at Great Leighs **at 2pm**. We will be following a basic agenda which will be modified to suit our club and the club's needs.

### **Agenda**

**Chairperson's report**

**Treasurer's report**

**Membership report**

**Spares report**

**Editors report**

**Regalia report**

(stood down)

**Questions & answers** - from the members to the current committee on their reports (needless to say no abuse and throwing of rotten fruit will be tolerated)

All the committee are willing to stand again for their positions, if there is a challenge for position then a vote will take place, if just one person stands for a position then a simple show of hands will be enough to vote the person in, if however there is more than one person standing (oh come on you never know we might be inundated) then it will be done by a secret vote, basically members are given a bit of paper and asked to write the name of the person who they want in that position, it is then counted by three people and the person with more votes gets voted on (all very simple and it put none of the voters under pressure to show who they support, saves embarrassment as well, chairman gets casting vote in secret)

It has been asked if postal voting is available, this is a little awkward as by the time you read this there is very little time to let the other members know who wants to stand for a position, but saying that if you would like to stand for a position then let a committee member know as soon as possible **in writing** so that it can be posted in the next club magazine, same again for voting if you want to do a postal vote then again please let a member of the committee know **in writing** so that your vote can be counted.

Questions from new committee - to members asking what they want them to concentrate on for the club. Basically do you want the magazine bi-monthly still, electronically, do you want Paypal available for all club bits, would you like Kate Moss to chair the next AGM (well we can dream) that sort of thing, if you have any

questions you would like to ask the new committee then also please feel free to write in and they will do their utmost to answer them.

**Date of next meeting**

(if known)

**Close**

So don't forget come along to the September Auto jumble and AGM on the 23rd Of September, pick up those much needed spares, have your say at the AGM and support your club.

\*\*\* The Committee will be offering token prizes for cars that turn up - not quite trophies but a thank you to those that have attended and supported the club \*\*\*

***Tony Sirett***
